Dear Southwest Oklahoma Chapter,

We are excited to inform you that a student from the MOAA Education Assistance Program has been selected to receive the "Southwest Oklahoma Chapter #3" Designated Scholarship. Your generous contributions have played an essential role in making our Designated Scholarships possible, and we are incredibly grateful for your continued support of The MOAA Scholarship Fund.

We would like to share a message on behalf of Laiyanna Jethrow, who was matched to your scholarship.

My name is Laiyanna and I graduated on May 17th with honors as a part of the National Honor Society in the top 15% of my class. Throughout my highschool career I have been active in many clubs and also played varsity basketball all four years. In addition to that I have taken 15 college hours as well and maintained a 3.6 GPA in those courses. I am so grateful for your donation and your willingness to invest in my future and my education. I plan to major in Human Performance and Exercise Science as an undergrad at Tennessee State University. Once I am done with my undergrad I plan to go on and get my doctorate in physical therapy.

Your generous contribution to my future is thoroughly appreciated. My family and I are eternally grateful and cannot thank you enough. I truly hope to be able to pay this forward for another student in the years to come. Again, thank you so much.

Once again, thank you for your generous support and for making a lasting difference in the lives of our military families and their children.

Sincerely,

The MOAA Scholarship Fund
