On behalf of the Dean of the Cameron University School of Arts and Sciences, and the entire Cadre and staff of the George D. Keathley Department of Military Science, I would like to welcome you to Cameron University's ROTC "Comanche's" website. You have already taken a positive step on the road to success by expressing an interest in our program as current and prospective members of the Comanche ROTC program. We look forward to helping you make ROTC, "The Best Leadership Course in America."

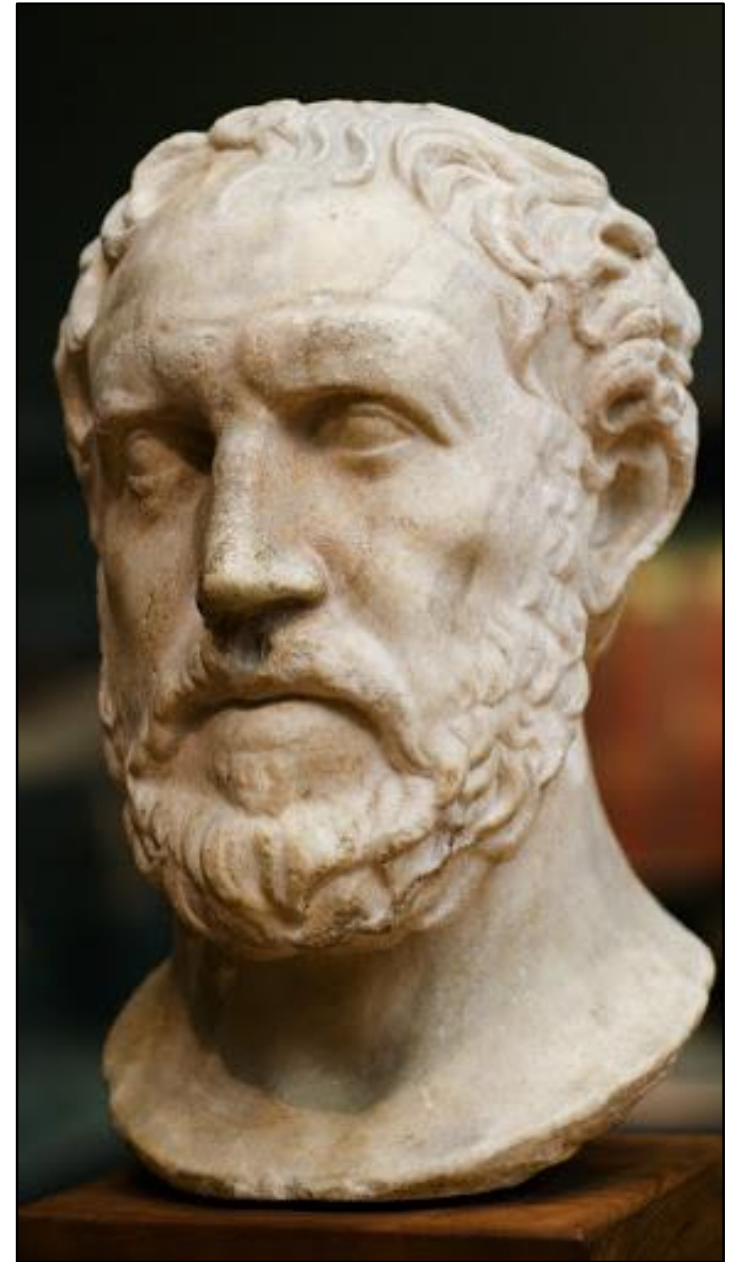

You should be able to find most of the general information regarding our program as you navigate your way around our website. The website has been designed to answer questions about our program. However if you have any additional questions, or would like more information, please email or call the Department of Military Science. We are located in Burch Hall and look forward to meeting you!

“The nation that makes a great distinction between scholars and its warriors will have its thinking done by cowards; its fighting done by fools.”

WHY does our military exist?

WHY do YOU want to be a part of it?

WHY does our military exist?

To kill people and break 'things.'

WHY do YOU want to be a part of it?

"Because it's my turn."

“IT WILL FINALLY BE MY TURN!”
